...is to assist you in achieving your objectives and protect your assets.

2016 @ The Consulting Group AG (TCG)

Food Fraud

What's the problem ?

- How can you be sure that your supplier are fulfilling their contracts with you ? What is the problem ?
 - Is food fraud a problem for your company ?
 - Why should we all be interested in resolving these issues ?
 - What can be done to protect your company / your brand ?
 - What solutions (prevention / protection) are available today ?
- [INSCATECH/IFAAO/GenuCert/SwissDeCode](#)
