

Supply Chain Monitoring - Focus on Food Integrity -

MARC SCHAEDELI, CEO

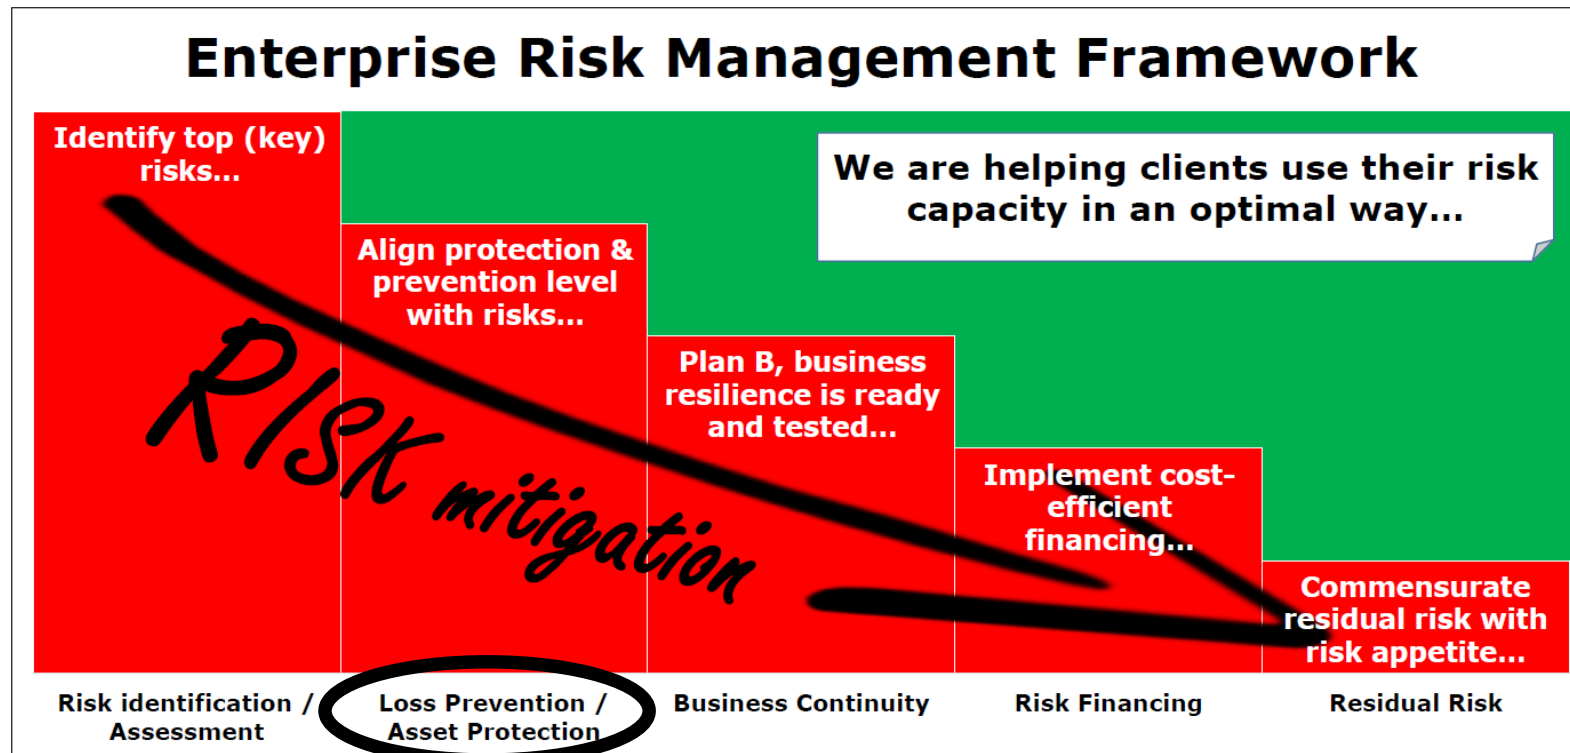

THE CONSULTING GROUP AG

6 – 17 MARCH 2017

SINGAPORE/JAKARTA/MANILA/KUALA LUMPUR

Our vision..

...is to assist you in achieving your objectives and protect your assets.

2016 @ The Consulting Group AG (TCG)

How can systems help you to predict the next outbreak ?

- What kind of outbreaks could represent a risk for you ?
 - Salmonella
 - E. Coli
 - Listeria Monocytogenes
 - Avian Flu (H1N1)
 - Ebola, etc.

How can you react in case of outbreak ?

- Have you already been confronted with such issues ?
 - How do you normally handle such issues ?
 - How can you guarantee a quick reaction ?
 - What can be done to protect your company / your brand ?
 - What solutions (prevention / protection) are available today ?
- METABIOTA
